To whom it may concern,

The celebration of the 10th annual PotjieCook-Off was held on Saturday 14 July 2012 in Fourways.

We had 65 teams participate in the event with over 1000 people attending the festivities, and it was incredibly heartening to observe the amount of effort that teams made in raising money for some great causes.

We would officially like to thank each and every person who contributed towards an incredibly successful event where we raised a massive total of **R290 000.00!!**

We far exceeded our target of R200 000.00, and we're incredibly grateful to all who helped in raise this amount of money!

As most will know, the event focuses on charitable concerns that are close to our hearts, and the money this year will be allocated in equal proportions of R72 500.00 to each of the following worthy causes:

Project Rhino KZN
